Dear Colleagues,

This is an invitation to our education partners to provide your input on education funding for the upcoming 2019–20 school year through written electronic submissions.

The government has announced its intention to seek greater accountability and value for money as part of the line-by-line review of government expenditures. Consistent with this goal, the ministry is seeking feedback from our education partners as a starting point to education funding reform.

Attached is the Education Funding Engagement Guide. This guide is structured around four areas that the ministry has identified as having the potential to make more efficient use of education funding.

- Efficient Price Setting;
- Outcomes-Based Funding;
- Accountability and Value-for-Money; and
- Other Education Funding Efficiencies.

The ministry is interested in receiving your responses to the questions in the guide and your suggestions about the topics highlighted. You are also welcome to share your insight about other topics within the funding formula that you feel deserve consideration for this or future planning cycles.

To ensure that your feedback is taken into consideration, please forward your submission by **Friday, December 14, 2018** to: EDULABFINANCE@ontario.ca.

Your participation in this exercise is greatly appreciated as we work toward the government's goal of ensuring that public spending provides best value.
